### Experience

Ms. Feeney contributes to businesses with her expertise in evaluating risk, reducing loss potentials and improving corporate operations.

After almost 20 years working with Fortune 100 clients in the Loss Prevention & Engineering department of Travelers Insurance, Fay launched Envision Strategic Group to provide Risk Management and Human Resource services to businesses wanting to enhance their operational excellence and actively manage their business risk. Her practice includes worldwide manufacturers, arts & entertainment, hospitality & golf industries.

Feeney has led projects on business continuity planning, certifications in ISO 14001/OHSAS 18001, ergonomic improvement processes, production safety management and OSHA compliance assistance. In addition, Ms. Feeney helps assess and enhance their environmental (green) stewardship and social responsibility governance processes.

Ms. Feeney works on improving risk management processes from the Boardroom to the loading dock. Her focus is on operational improvements to reduce risk and increase profitability. [A manufacturing client saw workers' compensation losses reduced from \\$1.5M to \\$20K in three years. An office client had their insurance costs reduced over \\$200,000 in one year by introducing an ergonomic improvement process.](#)

### Professional & Civic Affiliations

For the past twenty five years Fay has served in volunteer leadership for the American Society of Safety Engineers, including chair of the Public Relations and co-founder of the Hospitality Branch. She is a Legacy Foundation donor for the ASSE Foundation. She was recently appointed a trustee of the ASSE Foundation focused on fund raising with the Fortune 100.

She recently completed a term as Chair for Housing & Real Estate for the Alcott Center for Mental Health Services. Ms. Feeney is on the advisory committee for Boardroom Bound, an organization dedicated to promoting diversity candidate for corporate board appointments.

Ms. Feeney is a Chief Executive Officer appointee of the Los Angeles County Risk Management Advisory Committee. The County has seen a 35% decrease on 3.7b in insurance costs in the past 3 years.

Ms. Feeney was the 2007 Women of the Year for the Manhattan Beach Chamber of Commerce Women in Business Committee. She was just named a 2007 Workplace HR & Safety Magazine Who's Who in the safety industry.

### Education

Fay received her B.S. in Health Sciences & Safety from San Diego State University. She is a Certified Safety Professional and holds an Associate in Risk Management from the Insurance Institute of America. Ms. Feeney graduated in 2007 from the UCLA/NAWBO LA PEAK Leadership Academy.
